Astro School

Astro School, an innovative online platform introduced by the Indian Palmistry Institute, serves as a comprehensive solution for all astrological courses. With a rich legacy since 2003, we have successfully trained numerous students worldwide in the ancient sciences of astrology and palmistry.

Astro School carries forward this esteemed tradition, catering to the evolving needs of modern learners. In today's fast-paced world, online learning has emerged as the most convenient and cost-effective method to connect with masters from various fields and benefit from their experiences. Astro School recognizes this shift and aims to provide high-quality training to aspiring astrologers and healers. Our platform offers online live classes in Vedic Astrology, KP Astrology, Palmistry, Vastu, Numerology, Reiki, and other related disciplines. Following the revered tradition of "Guru Shishya Parampara," Astro School emphasizes direct learning from teachers. This approach fosters a close bond between the teacher and student, facilitating the growth and development of the disciple. We warmly invite new learners to step forward and embark on a transformative journey, learning from our young and proficient masters of astrology.

Whether you aspire to become a professional astrologer, gain insights into your own life, or enhance your healing abilities, Astro School is dedicated to providing a fulfilling and transformative learning experience. Join us today and unlock the vast potential of astrology under the guidance of our esteemed faculty.

“Exceptionally great institute that goes into depth of the subject and makes sure you learn all concepts very well. I 100% recommend him for Palmistry and Astrology.”

Siddhant Chopra
